Our Partners

Meena Health Trading Ltd

Meena Health Trading Company was distributed bellow's Companies In Kabul Afghanistan.

Deva Turkey

2018 was a year of change in the economic balance across the world, and the developing economies were highly impacted from the resulting uncertainties. The exchange rate fluctuations, which we began seeing in Turkey in 2017 continued at a greater rate last year and because the inputs are priced in foreign currency, the pharmaceutical industry was one of the most affected by these fluctuations.

SYMBIOSIS INDIA

Symbiosis Pharmaceutical Services was established in 2011 in response to increasing global demand for niche, sterile manufacturing specialists that could satisfy product supply needs for clinical trials.
